FRAME NOTES

The rear frame for a TR will be square when the Center of Gravity H measurement is less than 3.5". Aero T and TRA will always be a Rounded Rear Frame.

GENERAL

More options and frame modifications may be available through our Creative Mobility Division! Please contact customer service for details or click here to view options.

Permobil manufactures TiLite manual wheelchairs in a wide variety of configurations to meet the varied needs of wheelchair users. The final selection of a particular model, its options and accessories, and its measurements rests solely with the wheelchair user and advising healthcare professional. These wheelchairs must be fitted by a qualified healthcare professional. HCPCS Codes are for reference purposes only. Actual coding and coverage varies by payer. Proper HCPCS coding is not a guarantee of payment. Please verify the appropriate payer's coverage policy.
