Softwheel wheels - 101182

Quad Quick Release (MAXX Performance Spoke, Superlight wheels) – 100755

Quad Quick Release (Softwheel wheels) – 100901

Quick Release Axle Measuring Guide

To identify which axle you have: Set your axle on the printed copy of this page (do not scale when printing) or take the measurement as shown and locate which overall dimension matches that of the axle you have.

Note: The overall length is not the same as the “useable length” which is the length used in the part description. Images of all axles are shown below.
