

Arc Hemi Wheel Lock

For complete retro-fit select the right or left hemi wheel lock assembly, hemi wheel lock mount kit, and the appropriate cable. Please reference the chart in the image above to determine what length cable is needed. Tip: The extended rear frame is used when the Reclining Backrest or Vent/Battery Tray is present. The Arc Wheel Lock Mount is the same across all styles of Wheel Locks and is not needed if changing Wheel Lock styles.

Item Number	Part Number	Description	Quantity
1a, 2a, 8, 9, 12, 13	113244	Hemi Wheel Lock Assembly, Right, Arc	1
