

Catalyst 5Ti Swing Away Front Frame

16" and 18" seat depths use the same front frames. 17" and 19" seat depths use the same front frames. Frame assemblies are based on Seat Depth. If switching to a new Seat Depth, new Height Adjustable T-Arms or Height Adjustable Flip Back T-Arms may be needed. If chair has Flip Back or the discontinued Height Adjustable Flip Back armrests, select a frame assembly with the Flip Back Arm Modification. This modification does not apply to Height Adjustable Flip Back T-Arms. If retrofitting from a Fixed Front Frame, new caster housings and attaching hardware is required.
