

90 Degree Front Mount Hanger

Hanger	Height
Short	10.3"
Medium	12.3"

If chair was built with a fixed front frame or hangers were omitted, then latch blocks need to be ordered with hangers. Please reference the "Front Frame" parts manual page for Catalyst chairs and the "Seat Frame" parts manual page for Focus and Flip chairs. If changing degree of hanger, new extension tubes may be needed. If switching from a contracture footrest to a standard hanger, front seat tubes and latch blocks with hardware will be needed.
