

Liberty Stroller Handle Backrest

If changing to a new back post style or height, please see the Liberty Tilt Mechanism parts manual page to evaluate if a new tilt cable is necessary. If changing from a non-folding height adjustable backrest to a non-folding stroller handle backrest, #23 (003311) is required. To obtain the "Removable Stroller Handle Extensions", please reference the "Focus CR / Liberty Removable Stroller Handle" parts manual page.
