

# Raz-AT

## Attendant Tilt

Rehab Shower Commode

The **RAZ-AT** (Attendant Tilt) rehab shower commode chair tilts up to 40° to provide pressure reduction and maximum comfort. The unique frame design utilizes lockable gas springs that help lift the seat to an upright position, making the RAZ-AT one of the easiest tilting chairs to operate. The easy-to-clean, stainless steel frame fits over most toilets and is designed with unobstructed side and front access for the user or attendant.
