Re: Sunrise Medical "Quickie S646/S636/S626" Power Wheelchair Parts Discontinuation.

To Whom It May Concern:

Motors and Electronics from the Quickie S646/S636/S626 Power Wheelchair were discontinued in 2012. Sunrise attempts to carry replacement parts for as long as possible up to 5yrs after discontinuation. However, we now report that at this time there are no longer replacement Motors and electronics parts available for all Quickie S646/S636/S626 products.

Please let me know if you have any questions regarding this information.
