POLICIES, PROCEDURES, AND WARRANTY

MANUAL OVERVIEW:

Your new "user-friendly" parts manual will help you place orders for wheelchair parts. Use this manual as a tool to easily locate and order the correct parts for your customers.

The parts manual is categorized by frame types, component types and accessories. Refer to the table of contents to locate the section for the items you need. For example, reference the frame sections in the beginning of the parts manual for the frame parts. Reference the component sections for others types of parts (i.e. for parts relating to backrests, refer to the section labeled "Backrests").

Each item is shown in an "exploded view" illustration. Below each drawing is a legend that has an item number, part number, product description, and quantity used per assembly. Some parts may be included in an assembly but may not be available for purchase separately. Such parts will be included in the drawing but will not be called out individually in the legend below the drawing. Prices for parts are located in the Quickie Parts Pricing Guide, and are in numerical order by part number.

FREE FREIGHT:

• All orders (parts and products) placed on our website (www.sunrisemedical.com) or via electronic data interface (EDI) regardless of order amount will receive free freight.

• All non-web orders over $1,000 will receive free freight.

• All non-web orders under $1,000 will be subject to a handling charge based upon order value per the following schedule:

- $10 handling fee for orders between $1 - $250
- $25 handling fee for orders between $251 - $500
- $35 handling fee for orders between $501 - $750
- $45 handling fee for orders between $751 - $999

ORDER QUANTITY:

Product should be ordered in case quantity increments.

GENERAL RETURNED GOODS POLICY:

Advance authorization must be received from Sunrise Medical customer service prior to returning merchandise. All returns must be channeled through an authorized Sunrise Medical supplier.

Your request for return authorization must be phoned to 800-333-4000 and include:

- ♦Reason for return
- ♦Item number and quantity
- ♦Invoice number, original sales order number, or original purchase order number and date.
- ♦Serial number if applicable

Returned merchandise is subject to a 20% restocking fee.

Sunrise Medical Home Healthcare Group will accept new, non-modified merchandise for return in its original packaging if returned within 60 days of receipt. Obsolete and discontinued product will not be accepted for return. Specialized and/or modified products can not be returned.

SHORTAGES AND SHIPPING DAMAGE:

Please inspect your order immediately. Claims for shortages and shipping damage must be made within 10 days of receipt of merchandise. Damaged merchandise should be retained in original carton and reported to carrier. Claims after 10 days will not be honored.

WARRANTY:

See individual product warranty inserts in owner's manual for warranty information by product line.

All claims and repairs should be processed through a Sunrise supplier. All returns and repairs require a return merchandise authorization (RMA) number, which is obtained by calling customer service at 1-800-333-4000. Warranty returns should be shipped freight prepaid to the manufacturing facility or certified repair facility specified by customer service. A valid return merchandise authorization number should be visible on the outside of the box for immediate processing. Merchandise without a valid return merchandise authorization number will be refused. Warranty returns should be received within 30 days of authorization.

REBUILT EXCHANGE:

Rebuilt exchange parts pricing is available only with the return of defective parts within 30 days. Rebuilt exchanges available for certain products only.

WARRANTY LIMITATIONS:

We do not warrant damage due to:

- ♦Neglect, misuse, or improper installation or repair
- ♦Use of parts or changes not authorized by Sunrise Medical
- ♦Exceeding the maximum weight limit specified for product

The warranty is void if the original serial number is removed or altered.

Except for express warranties made within product warranty guides, all other warranties, including implied warranties of merchantability and warranties of fitness for a particular purpose are excluded. Remedied for breach of express warranties are limited to repair or replacement of the goods. In no event shall damages for breach of any warranty include any consequential damages or exceed the cost of non-conforming goods sold. Sunrise Medical reserves the right to change this policy and any products herein without notification.

BACKREST AND SEAT TUBE DIAMETER MEASURING GUIDE

197

This guide will determine the backrest and seat tube diameter of Quickie chairs. Keep this chart with your Quickie Insert Reference Manual and use it when ordering an insert seating system. To use, follow these four easy steps.

1. Choose the appropriate chair.
2. Use the "A" dimension.
3. Use the "B" dimension.
4. Use the "C" dimension.

PLATFORM FOOTREST DESCRIPTION KEY

THE FOOT REST MEASURMENT DIFFERS FROM SEAT WIDTH MEASUREMENT,SEE INSET FORMULA TO RIGHT.

9" W PLTFRM FTRST ASSM S

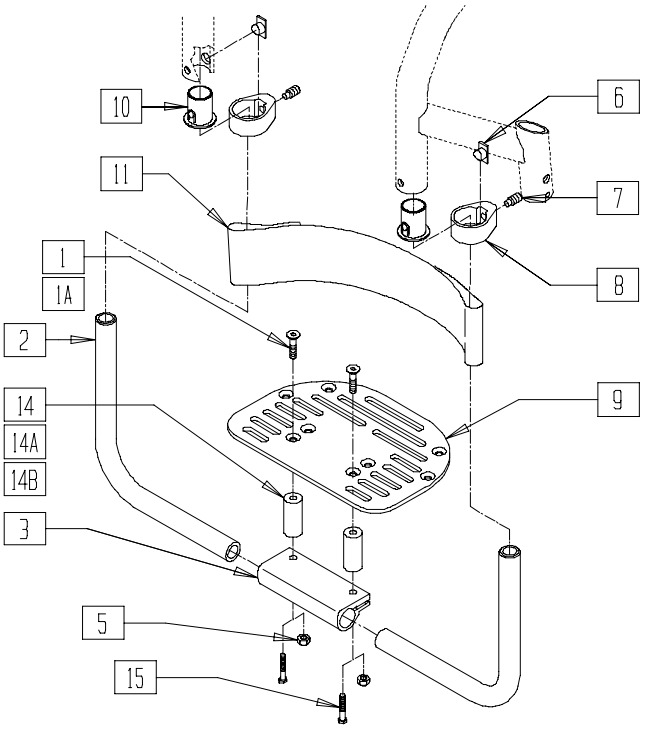

T OR S DENOTES SHORT OR TALL. IF THE **FRONT SEAT HEIGHT** IS 17" OR GREATER THE FOOTREST HEIGHT IS "T" (TALL). IF THE **FRONT SEAT HEIGHT** IS 16.5" OR LESS THE FOOTREST HEIGHT IS "S" (SHORT).

THE SERIAL NUMBER PROVIDES THE FOOTREST WIDTH. IF THE SERIAL NUMBER IS NOT AVAILABLE, USE THE INSET FORMULA (BELOW) TO CALCULATE.
