

Pediatric Pro Elevating Leg Rest

Part No.	Pad	Pad Size	Chair Width
003844	Calf pad, 84mm x 120mm	3.3" x 4.75"	10-13"
101470	Calf Pad, Pad.	5" x 7"	14-22"

Please note the following: The calf pad is not included within the assemblies below and needs to be ordered separately. Sizes for assemblies are based on seat width with straight frame. If Tilt chair has Offset Frame, add 2" to seat width. If chair was built with a fixed front frame or hangers were omitted, then latch blocks need to be ordered with ELRs. Please reference the "Front Frame" parts manual page for Catalyst chairs and the "Seat Frame" parts manual page for Focus and Flip chairs. If switching from a contracture footrest to an ELR, front seat tubes and latch blocks with hardware will be needed.
