

Clik Camber Tube - Growth

Black Camber Tube kits based on seat width. Color Anodized Camber Tube kits used on all chair widths. New camber tube required when changing the degree of camber by more than 2 degrees. If Wheelchair Drive Ready Option is present, replacement parts need to be processed through Alber USA. If OAD and 5th Wheel are present, please select the appropriate OAD Camber Tube and Standard Camber Tube when growing chair in width.
