

Focus CR Drum Brake (Hand Tilt)

For complete retrofit, quote drum brake retro kit and cable kit. Must also quote rear tires and handrims if quoting 24" MAXX Spoke wheels. If retrofitting and chair was invoiced prior to October 11th, 2019, with stroller handle back posts present, new stroller handle back post assemblies are required. If changing wheel type and the drum brake is already present, the drum brake rotor kit with hardware is required.
