

IntimateRider™

Features

Comfort Fabric

Specially selected fabric caresses the shape of your body for extra comfort.

Secretly Sleek

Just because you want to spice up your life, it doesn't mean you need to tell the world. Easy folding makes for discreet storage.

Back Support

The back height is just right for stability and comfort.

Seat

The seat depth is designed for optimal performance and freedom.

Effortless Bliss

Precision bearings give the IntimateRider a natural, fluid motion that can be attained with minimal upper body movement.

Love on Any Surface

The non-skid legs provides stability when using your IntimateRider on any surface.
